## 5K Race

### Overall Results

Scoring note: we had many first time runners at the race. Welcome!

Some of these newcomers were unfamiliar with finish line protocol, which meant some runners crossed the finish line more than once, sometimes with a buddy/parent, some did not have bibs displayed, some did not give us their date of birth, etc. We apologize for any inconvenience and if your name is missing from the overall results, please email [webmaster@mhrrc.org](mailto:webmaster@mhrrc.org) with your corrections. We did the best we could under the circumstances.
