

Individual and Corporate Sponsor Form 2009

Sponsored by the Council on Addiction Prevention and Education of Dutchess County, Inc., The Marathon Project™ is an innovative distance running program that pairs adult mentors with at-risk youth in the Poughkeepsie and Beacon communities, as well as the DC Department of Probation, North East Community Center in Millerton and The Poughkeepsie Children’s Home. This is an after-school distance running program that aims to reduce risk factors such as childhood obesity, school drop out, and substance abuse. The Marathon Project™ provides opportunities for students to set and achieve goals, explore avenues for character development, improve health, and build positive student/adult relationships through mentoring.

The Marathon Project™ will tap into local races such as Sean’s Run, Bill Crusie 10K, Bridge Fever River Run, Denning’s Point and the Dutchess County Classic with the goal of preparing youth to run the half or full Philadelphia Marathon, 2009. But we need your help! Please consider making a donation to support our youth runners and ensure they all make it to Philadelphia on race day. For more information and updates on our progress please visit www.mhrrc.org or call the CAPE office at (845) 471-0194.

All sponsors are recognized on the MHRRC web site.
